

1 Cleaning

Simply clean with water and dry with a clean dry cloth

2 Shiny Finish

If you would like your bag to be shiny like leather, Simply use a shoe brush to shine without polish.

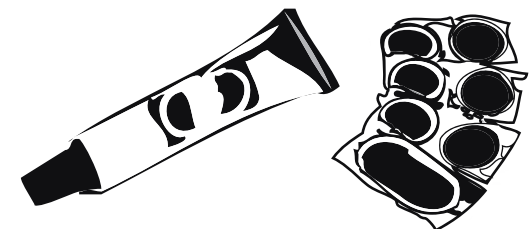

3 Be careful with sharp objects

Avoid sharped intruments such as blades or scissors.

4 Bike patches

If by accident the inner tubes ruptures, you can repair it with a bicycle patch.

5 Be careful with the sun

Never leave your bag for a long time in the sun may overheat.
